

CR ZEBSTAR +

Details

Zebstar+ LED Belisha Beacons

Designed to enhance our standard LED belisha beacon, we have designed a low-energy, low-maintenance light fixture with an IP65 sealing with improved daytime visibility.

The LED belisha beacon zebstar +, made with cast aluminium, is distinctive in its dual lighting circuit, providing adjustable brightness for both the front and back. These low-maintenance products also include synchronised flash with other beacons and a vandal-resistant fixing system.
